

January 22nd  
1900Z - 2200Z

MDPC - MTPP

**HELPING HANDS FOR HAITI!**

The Prime Minister of Haiti said today that he feared an earthquake which devastated Port-au-Prince could have killed "well over 100,000" people. The quake struck the Haitian capital yesterday afternoon bringing down dozens of key buildings, including the parliament and the presidential palace.

Dear members,

As you know, on January 12th, Haiti suffered a catastrophic earthquake.

The SO HQ dept. decided to hold a mission for this sad event by mother nature.

On the 22nd of January we invite you to fly from Punta Cana (MDPC) to Port-au-prince airport (MTPP) with any transporter (C-130, C-17, AN124,...) , as in real life. The mission starts at 1900Z, and we plan to end it at 2200Z.. You are free to fly from anywhere in the world to Punta Cana, and proceed from there to Port-au-prince..

This is our way to remind what happend overthere..

**Route** : LRN CDO BHO OBN

**Distance** : 250nm

**Type of plane** : Transport (C-130, C-17, AN124, Seaking)

**AFCAD Scenery** : [download here](#)
